

Welcome to the Australian Dorper and White Dorper Association Inc

Dear Prospective Member

On behalf of the inaugural Board of the Australian Dorper and White Dorper Association (ADWDA), I welcome you to join our organisation and encourage you to participate in the Australian sheep industry through this Association to enhance your success and profitability with your sheep breeding program.

This Association will represent all facets of the sheep industry from producer through to processor, marketer, retailer and consumer, thus benefiting all those involved with the Dorper and White Dorper industry.

Any Dorper and White Dorper breeder who is currently a member of any other organisation and decides to become a member of the ADWDA will be permitted to retain their existing Prefix and Flock Number if they choose to do so. (Please refer to Form 2 of the application form)

A member will be allocated one Prefix and Flock Number that encompasses either Dorper or White Dorper or both.

If you decide to become members of the ADWDA and have not previously been members of any other organisation you will be allocated the Prefix of your choice (provided it has not been allocated to another Stud) and a Flock Number commenced at 6000 plus (eg 6001, 6002 etc.). This action is necessary to avoid any clash of Flock Numbers with members of the DSSA as Sheep Genetics (Lambplan) cannot facilitate studs with the same Flock Number (each animal recorded in the Lambplan system must have its own unique identifier).

Membership of Lambplan is optional; however, flock numbers must be allocated correctly from the beginning to accommodate any breeder who decides to become involved with Sheep Genetics.

Please take the opportunity to access our website www.australiandorper.com to find out more about the Dorper/White Dorper breeds and the Australian Dorper and White Dorper Association.

Further information can be obtained from the ADWDA Secretary, Tessa Dawes, Royal Agricultural & Horticultural Society of SA Inc on (08) 8210 5215 or email tdawes@adelaideshowground.com.au

We look forward to hearing from you!

Kind Regards

Brendon Duncan
President

2018 MEMBERSHIP APPLICATION

For GST purposes this is your TAXATION INVOICE from the Australian Dorper and White Dorper Association Inc ABN 74 202 628 380

Membership Categories Explained

Stud Membership	A Stud Member shall be the owner or nominee (of the owner) of any stud flock registered with the Association. Voting Rights – one vote per Stud Membership. On application for Stud Membership a person shall submit for approval a preferred prefix (up to 20 letters) which shall be used as a prefix to and as part of the name of every sheep of which they are the breeder and which is submitted for registration in the register. Each stud member will be issued with a unique flock number by the registrar.
Full Membership Commercial	A Full Member shall be the owner or nominee (of the owner) of any <u>commercial</u> flock of Dorper or White Dorper sheep. Voting Rights – one vote per Full Membership. On application for Full Membership a person shall submit for approval a preferred prefix (up to 20 letters) which shall be used as a prefix which will be their flock name. Each Full member will be issued with a unique commercial flock number by the registrar.
Associate Membership	An Associate member shall be a person with a special interest in the Dorper or White Dorper breed. An Associate member has no voting rights and has no flock code.
Junior Membership	A Junior Membership shall be a person of eighteen (18) years or less that is the owner of a registered flock with the Association. A Junior Membership will allow the ownership of up to twenty (20) stud ewes. A Junior member has no voting rights. On application for Junior Membership a person shall submit for approval a preferred prefix (up to 20 letters) which shall be used as a prefix to and as part of the name of every sheep of which they are the breeder and which is submitted for registration in the register. A Junior membership fee to be the same as the Associate Membership fee.
