Australian Dorper and White Dorper Association Inc

Membership Application Lodgement Fee (*inclusive of GST*)

\$55.00 for each new stud application.

All membership types are entitled to discounted rates at Association run and endorsed events and access to all Association correspondence, news and updates.

Annual Membership Fee

Invoices for annual membership fees will be issued in January of each year. This payment covers a calendar year- January to December of the year in which the invoice is issued. Membership is payable by the 31th of March in order to avoid a late fee.

New Membership Application

You can apply to become an ADWDA member by:

- Using our online membership application form.
- Downloading a copy of the form to complete and post to the address on the form.
- Phone the Secretariat and request a membership application form (08) 8210 5215.
- Email the Secretariat to request a membership application form.
- Membership fees are payable on a pro rata basis if members join during the course of the year.

New Membership Application Fee

A new membership application fee is payable in full by all new members on applying to join the ADWDA. This fee must be paid with the membership application. This is a one-off fee.

Flock Numbers

Each new flock registered with the ADWDA will be allocated a Flock number at the time of registration. Those with existing DSSA flock numbers will be able to retain their DSSA flock number and stud prefix as a member of the ADWDA.

Annual Returns

Annual return forms are mailed to all members in March of each year. They will also be available online to fill in electronically at that time. The information obtained from these returns is compiled into the association's flock book and permits the Secretariat to maintain accurate data base records.

Animal Registrations

Under the ADWDA stud book it is necessary to register stud rams only, however the facility will be available for those wanting to register stud ewes should they wish to do so.

Appendix Flock

An Appendix flock system operates for those wishing to upgrade to purebred Dorpers and White Dorpers.
